YOUR SPECIAL MONTH

Flower – Aster

The aster is a flower with brightly colored petals that unfold in the shape of a star. It is no surprise, then, that these blooms take their name from the Greek word for *star*. There are about 180 species of aster throughout North America and Eurasia, with colors ranging from purples and blues to reds and pinks. They are an ideal plant for showcasing in gardens, particularly as they symbolize love and patience. Along with chrysanthemums, asters are considered a classic autumn flower.

Birthstone – Sapphire

September's birthstone is the sapphire. The sapphire has been revered by royalty since ancient times. King Solomon was said to have worn a sapphire ring to protect himself. Russia's Ivan the Terrible adorned himself with sapphires for strength and courage. And Prince Charles chose a sapphire for Princess Diana's engagement ring because it symbolizes loyalty, respect, and lasting affection. The famous blue sapphire surrounded by diamonds now adorns the hand of Catherine, Duchess of Cambridge.

Give Peace a Chance

September Zodiacs

Virgo (the Virgin)
September 1–22

Libra (the Scales)
September 23–30

September gets its name from the Latin word *septimus*, which means "seven." It has this name because it was the seventh month of the year until 153 BC. Around 44 BC, Julius Caesar reformed the calendar and made September the ninth month. The Anglo Saxons called this time *haligmonath*, which translates to "holy month," because the harvest time was sacred to them. In Japan, September is called *kugatsu*, which means "long moon."

September Around the World

This month is spelled *September* in many languages, including English, German, Danish, Norwegian, Swedish, Flemish, and Dutch. However, in French, it is spelled *Septembre*. In Spanish, an *l* is added for a spelling of *Septiembre*. In Greek, it is *Septemvris*, and in Portuguese, it is *Setembro*. It is *Settembre* in Italian.
